Mr. Decker:

Amended October Monthly Report (9-1-04 - 9-30-04), received 4-14-05

In response to your letter of May 4, 2005, the additional receipts totaling \$17,539 that were not disclosed on the original report were literally hundreds of small donations made during the Presidential election campaign. Because of the number of donations it was impossible to input all of them and meet the FEC deadlines. I elected to meet the deadline and file an amendment.

The anonymous contributions in question in your letter have been disclosed on Line 11(a)(ii) of the Detailed Summary Page.

Schedule B, Line 21(b) for "Partial repayment for advance for signs" has been further explained to mean yard signs.

Schedule B, Lines 21(b) for "Repay advance for campaign items" has been further explained on the entry or with a memo text.

Schedule B, Line 30(b) has been further explained as federal election activity.

An amended report has been filed.

Thank you for your help.
